Seminar on “Role of Assistive Technology in the Management of Cerebral Palsy”

The All India Institute of Speech and Hearing is a premier training and research institute in the field of speech and hearing. It imparts training at the diploma, undergraduate, postgraduate and doctoral levels and conducts research in the areas of speech, language and hearing. As a part of our objective to update the professionals in this field, the Department of Speech-Language Pathology and the Special Clinic for Motor Speech Disorders is conducting a two day seminar on “Role of Assistive Technology in the Management of Persons with Cerebral Palsy” on 26 -27 of August, 2014. The seminar would include lectures on the application of assistive technology in improving the quality of life in persons with cerebral palsy.

The seminar is open to speech-language pathologists working with persons who have cerebral palsy. You can depute a few students and staff enrolled at your Institute/college who would be interested in attending the seminar. We will be able to register up to 100 on first-come-first serve basis. The registration fee is Rs. 500/- per person. Those interested may register by sending the filled in registration form (separate for each participant), with the registration fee of Rs.500/- per participant (through cash/DD taken in favor of the Director, AIISH, payable at Bank of Baroda, AIISH Extension counter, Mysore along with the title of the workshop) on or before 24.08.14. The registration form is also enclosed herewith. For any clarifications, please contact Ms. Deepthi K.J., Lecturer in Speech Pathology, Department of Speech-Language Pathology (Ph. No. 0821-2502273, email:kjdeepthi86@gmail.com).
